Dear Wayne

I want to thank you for your recent donation. The help you gave will allow us to continue supporting the families of public safety officers and firefighters.

As you know, in addition to responding immediately when tragedy strikes, the 100 Club steps in with financial assistance following public safety line of duty deaths, injuries and non-line of duty deaths. Our HEROS program allows us to help during life altering situations such as illness or loss of a spouse or child. With our Safety Enhancement Stipends, we provide equipment to help keep officers and firefighters safe on the job. Our Bulletproof program is a proactive effort to provide access to health and wellness resources to those that serve the community and our Scholarship Program is a way to say thank you to them by offering continuing education to immediate family members.

With your support, and others like you, we will continue to stand behind the men and women who stand behind the badge.

Sincerely,

Angela Harrolle
Chief Executive Officer
