To the Men and Women of Winter Range:

Troop 109 is dedicated to developing character in young men, and training future leaders through the Boy Scout program. An important component the scouting experience takes place each summer at the Geronimo Scout Camp, located north of Payson. It is expensive to send 70 Scouts to camp for a week. The money the Troop earns from working at Winter Range, combined your generous \$2,000 contribution to the Troop, covers about half of the cost and helps makes going to Camp Geronimo possible.

Our Troop does not participate in a lot of fund raising activities as we believe that takes time away from the Scouting program. However, Winter Range gives the Scouts the opportunity to serve through their work at Winter Range. The service benefits the overall Troop, and we hope we provide a good service to you as well.

As a father of three Scouts in the Troop, and the Troop Treasurer, I am grateful for the partnership we have with Winter Range, and very much appreciate your support.

Sincerely,

  
Jim Cooper  
Treasurer
