Dear Jon,

On behalf of the staff, board, volunteers and our shelter guests, we would like to thank you for your continued support of Foothills Animal Rescue. Your gift provides us with the opportunity to save many homeless cats and dogs here in our community. In 2014, we were able to save and care for over 600 dogs and cats. It is the support of those like yourself that help us in achieving our mission.

Here at Foothills, we take pride in the relationships built over the years. Volunteers such as Dean and Stephanie are two of many who not only support our efforts at the shelter and events, but also care enough to reach out to others whose friendships they value to support a cause they deeply care about. We appreciate the fact that you also support what we are doing here at Foothills. Your continued support is greatly valued and we hope that you will find that your gift goes directly to the mission of saving animals.

In 2015, we have placed over 500 dogs and cats into loving homes and with two months left in the year, our goal of adopting out 600 is closer to becoming a reality. We strive to make a difference in our community by [providing resources for responsible pet ownership and creating a safe haven for at risk animals. Due to the tireless efforts of our volunteers and staff, our shelter guests are able to receive the love and care they deserve.

Your generosity of spirit is an example for others to follow and we cannot say thank you enough.

Sincerely,

Eddie Nichols

Outreach Director
