

TAKE NO PRISONERS

This is a new long-range event for 2019. Any SASS approved firearm and caliber may be used. Cowboy silhouettes are placed at 50, 100, 200, and 300 yards. All bullets must be lead. The pistol and lever action rifles will be loaded with 5 rounds each with the hammer lowered on an empty chamber. The single shot will be empty and open. You may retrieve a round from your body or the table when shooting the single-shot rifle. The rifles are staged on the table at the firing line.

All shooting is from the standing, offhand position. You will start with the pistol at the low ready position. Shooter will notify timer operator when ready to shoot.

The 50 yard target is shot 5 times with the pistol. The 100 yard target is shot 5 times with a pistol-caliber rifle. The 200 yard target is shot 5 times with the rifle caliber rifle. The 300 yard target is shot ONCE with any single-shot rifle. You will return the empty pistol and each open and empty rifle to the table when finished. All firearms will be cleared at the table before the competitor leaves the firing line.

This event is scored number of hits (16 possible) and total time is used to break any ties.
