Re: Check #6114 – May 27, 2013

Dear Mr. Enderle:

On behalf of the 8,000 Arizonans living with multiple sclerosis, thank you for your cash contribution of \$1, 000.00 received on May 31, 2013 on behalf of John Coomer for the 2013 bike MS Ride the Vortex. Your contribution makes it possible for us to continue to provide hope and support to individuals and families living with MS.

You've enabled the Chapter to fund exciting research breakthroughs and to create innovative programs to help people with MS and their loved ones make this disease more manageable. The Society addresses the challenges of each person affected by MS by funding cutting-edge research, driving change through advocacy, facilitating professional education and providing programs and services designed to help people with MS and their families move their lives forward.

With your help, one day, we will learn the cause and develop a cure for this unpredictable and mysterious disease.

Please feel free to contact us at 800 344 4867 or visit us at [www.arizonaMS.org](http://www.arizonaMS.org) if you would like additional information about the Society and its programs. Thank you again for your support and generosity.

Sincerely,
