Dear Friends,

We are grateful that you have chosen to honor the memory of Elizabeth "Joan" Kimbler with your generous gift to Ogle County Hospice Association. We are blessed to receive contributions and support from the community, which enables us to provide the best of care for those experiencing the final journey of life.

Gifts such as yours are all important in continuing our work. The donations we receive, both monetary and volunteer service, allow us to comfort many by providing physical, spiritual and emotional support to our patients and their loved ones.

In the twenty-six years since the inception of Ogle County Hospice Association, we have had the privilege of serving over 2,031 patients, and their families, facing the end of life. The youngest was 5 months and the oldest was 104. All races and religions are welcomed with open arms when needing compassionate care.

All are cared for regardless of their ability to pay. This almost unbelievable fact is possible because of the Grace of God and the generous spirit of people like you.

Again, we thank you for your wonderful gift and for allowing God to bless Ogle County Hospice Association.

In loving service,

Lorrie Bearrows
Executive Director
