Dear Frank Forsyth,

On behalf of the mother who will receive prenatal care, the father who will have access to fresh water for his family, the children who will learn to read and write in their newly-furnished school, thank you for your gift to The Rotary Foundation. Your contributions bring health and hope to these individuals, these families, these communities.

Rotarians around the world share your commitment to serving humanity. The success of this network of community leaders has been demonstrated by Rotarian's commitment polio eradication. Success in this ambitious endeavor illustrates Rotary's potential. As the Foundation evaluates its strategic plan, Future Vision, it is exciting to imagine how Rotary will positively impact our world in the future.

In 2011-12, RI President Kalyan Banerjee challenges us to Look Within to Embrace Humanity. He reminds us that philanthropy truly begins with each individual. Thank you for finding it within yourself to make this gift. It is one step towards better world.

Sincerely yours,

Eric Schmelling
Fund Development Manager
