Dear Frank,

On behalf of the Second Amendment Foundation I want to thank all of you for the \$1,000.00 contribution to help fund our important projects and activities.

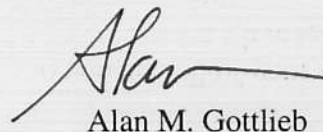

We will use the thousand dollars to help fund our 2008 Gun Rights Policy Conference to be held at the Sheridan Crescent Hotel on Sept. 26, 27, 28 in Phoenix, Arizona.

It will be our pleasure to list both the Winter Range and The Arizona Territorial Company of Rough Riders as contributors to the event.

I would also like to extend a personal invitation to you and all of your associates to attend the Gun Rights Policy Conference. Enclosed you will find a fliers with registration information. If you need more please feel free to copy them.

Again, thanks for all your help and support.

Sincerely,
