Dear Mr. Engebretson,

It is an honor to thank you for W. R. Marksman Club's \$1,500.00 gift to Scottsdale Healthcare Foundation in support of HonorHealth's Neighborhood Outreach Access to Health (NOAH) Program – Palomino Clinic.

The NOAH Program is committed to providing primary care that sets the standard of excellence to those amongst us with the least ability to pay. Literally, thousands of children and their families are touched by its broad range of healthcare provisions. We deeply appreciate your organization's dedicated commitment to this vital program. It is, however, the children and their parents who will be most appreciative of your generosity.

Please extend our special thanks to all the members of W. R. Marksman Club for their outstanding support of the NOAH – Palomino Clinic.

With sincere gratitude,

Laura R. Grafman
Executive Vice President

Thank you so much!
