Phoenix, AZ 85086

Dear Friends,

It is a great pleasure to thank you for Winter Range's \$1,500.00 gift to Scottsdale Healthcare Foundation. We deeply appreciate this generous contribution, which, as requested, has been directly specified for Scottsdale Healthcare's Neighborhood Outreach Access to Health (NOAH) program to benefit the children at Palomino I Elementary School. We sincerely appreciate your generous support of this program. It is, however, the uninsured and underprivileged children and their families in our community who will be most appreciative of your generosity as the NOAH program provides primary care, dental care, and preventive health care services to those with the least ability to pay.

Philanthropy has been a critical component of Scottsdale Healthcare's success since our founding almost fifty years ago. Your support makes it possible for us to fund important projects and programs in very meaningful ways. It is through gifts like Winter Range's that Scottsdale Healthcare continues to pursue its vision of setting the standard of excellence in personalized healthcare.

Thank you, again, from all of us at Scottsdale Healthcare Foundation!

Appreciatively,
