

## **Service Animals and Pet Policy**

Service animals (such as dogs) are trained to perform tasks for the benefit of individuals with physical or mental disabilities. This includes, but is not limited to, guiding individuals who are blind, alerting those who are deaf, protecting individuals prone to seizures and various other tasks directly related to a disability.

Pets and other animals whose sole function is to provide comfort, companionship or emotional support do not qualify as service animals under the Americans With Disabilities Act and Arizona state law. Therefore pets are not permitted on the firing line at Winter Range.

All service animals will be vetted by the Match Directors or Match R.O.'s. They will be happy to answer any questions you may have.
