Dear Friend:

As the Phoenix Affiliate of Susan G. Komen for the Cure® celebrates its 20th Anniversary, I can't help but be reminded of how many lives have been saved because of organizations like you.

Thanks to your generosity, we have been able to contribute over \$18 million to local breast health agencies to provide:

- Over 31,000 low or no costs mammograms
- Treatment for more than 2,100 women
- Diagnostic services for 1,900 patients
- Educational materials and support to over 160,000 individuals

In addition, over \$4.5 million in locally raised funds have been invested in our International Award and Research Grant Program to help find the causes and cures for breast cancer.

These services are only made possible through the considerable support received from donors like you. Once again, thank you for your generosity.

Warmest Regards,
