SASS NATIONAL CHAMPIONSHIP OF COWBOY ACTION SHOOTING

WANTED

COWBOYS AND COWGIRLS OF ALL AGES AND CATEGORIES

To help celebrate the 30th and FINAL Winter Range, the National Championships of Cowboy and Wild Bunch Shooting. As you have probably heard by now; in 2022, the Arizona Territorial Company of Rough Riders will present the new End Of Trail, Cowboy and Wild Bunch World Championships. That means that this is your last chance to shoot at Winter Range. Whether you have made every one of the previous matches, or Winter Range is at the top of your bucket list, this invitation is for you.

Preparations for this match began even as the tents were coming down and the dust was settling from the 2020 match. We knew the 30th was going to be big, but we never considered that it would be the last. That made it even more important that in 2021 Winter Range would be bigger and better.

Alas, then Covid19 struck... Let's be honest folks, bigger and better just won't happen under the current and predicted restrictions. But all is not lost! Your Rough Riders have been in almost constant negotiations with the authorities at Ben Avery Shooting Facility (BASf), and our plans for our match have been put into motion. BASf has tentatively approved a 2021 match of up to 720 shooters pending finalization of a Covid19 Match Plan. We're actively working on stages, timing, and traffic patterns to allow us to shoot while maintaining the required social distance. We are undertaking this not only to satisfy BASf, but to assure the safety of each and every shooter, vendor, sponsor, and volunteer.

We're not sure just what the whole thing will look like, but you can bet the farm that we will squeeze every last drop of fun and National Championship competition out of that week.

So... **Here's where you all come in.** As usual, we got a couple hundred applications right out of the gate. But we need more. We have a minimum number that must be met to make the match possible. We need your application and we need it soon! Without your commitment, we can't make our commitments to our many suppliers: tents, awards, food, toilets, etc.

Refunds... If for some unforeseen reason, we are unable to hold the match despite our best efforts, full refunds will be available.
