

Winter Range Swap Meet Guidelines

The Swap Meet is intended for the use of registered shooters, conventioners and vendors (i.e., vendors with a Winter Range vendor permit). The following general guidelines apply to sellers at the Swap Meet:

1. **All firearms transactions must comply with Federal, State and local laws.**

2. **NO** loose ammunition should be on the same table as firearms!!!! No ammunition or “dummy” rounds should be cycled through ANY gun at the swap meet.

3. Items for sale should be shooting or cowboy related. Only registered shooters, conventioners and vendors may sell items at the swap meet.

4. The Swap Meet closes at 4:30 p.m. Items must be promptly removed from the main tent after 4:30 p.m. in order to get ready for other activities in the main tent.

5. Everyone selling at the Swap Meet will need to sign an acknowledgment that they understand and accept the guidelines for selling at the swap meet.

6. HAVE FUN!!!
